

## Why Choose Midwest?

Midwest Surveys is a 100% employee owned company that values its people! Celebrating over 65 years in the industry, we have been ranked as one of the 50 Best Employers in Canada and a Top Employer in Alberta. We have also been recognized as a top health benefits provider and have been named the Best Workplace in Alberta for Health and Safety.

Midwest Surveys actively supports local communities, charities and is committed to a high level of ethics. We pride ourselves on providing an outstanding work environment!

## Position Description:

Our Lloydminster location currently has an opportunity for a Crew Chief.

The successful candidate will be knowledgeable in the technical operation of Total Station and GPS technology. You should be familiar with all facets of oilfield surveying; including but not limited to well site surveys, pipeline surveys and line locating. Municipal surveying experience is an asset.

## Qualifications:

Candidates with formal post-secondary training in a Geomatics/Survey program are preferred, however, associated experience will be considered.

The successful candidate will have a valid driver's license, experience with ATV's and snowmobiles is preferred. You must be physically able to perform the requirements of the job and be willing to work in all types of weather conditions. Travel out of town will be required. Safety training (i.e. CSTS, First Aid, WHMIS, etc.) is required and will be provided as necessary. Candidates should be prepared to comply with our drug and alcohol policy, which includes screening.

To apply for this posting, please e-mail your cover letter and resume to [recruitment@midwestsurveys.com](mailto:recruitment@midwestsurveys.com). **Please quote 'Job Number 2213' in the subject line.** For more information on working with Midwest Surveys please visit the Careers section of our website, [www.midwestsurveys.com](http://www.midwestsurveys.com).

All applications will be kept confidential  
Only those selected for an interview will be contacted
