

Crew Chief/Geomatics Technician

Fort St. John

Why Choose Midwest?

Midwest Surveys is a 100% employee owned company that values its people! Celebrating over 65 years in the industry, we have been ranked as one of the 50 Best Employers in Canada and a top health benefits provider. We are a professional land surveying firm providing geomatics services to the oil and gas industry and municipalities through our ten offices in Saskatchewan, Alberta, and British Columbia. We pride ourselves on providing an outstanding work environment!

What's in it for me?

- Competitive salary, employee-ownership opportunities and industry leading benefits;
- Casual work atmosphere with an approachable, hands-on management team that takes time to celebrate successes; and
- Exposure to a variety of oil and gas survey projects in a dynamic environment.

Position Description:

We currently have an opportunity based out of our Fort. St. John office for an individual interested in the blended responsibilities of a Geomatics Technician and Crew Chief. This position will work in both field and office capacity dependent on work volumes. Your duties will include, but are not limited to:

- Performing oilfield and pipeline construction and all other types of field surveying
- Process field data, perform computations and plan checking
- Perform Project Management related duties, as requested

Experience:

- Minimum 5 years of surveying experience in the field, post-secondary training in geomatics is preferred
- Ability to operate total stations, robotics and Trimble GPS skillfully
- Proficient in survey software including MicroSurvey and Trimble Business Centre, working knowledge of CAD would be beneficial

Key Competencies and Behavioral Attributes:

- Good communication skills and a strong sense of professionalism
- Strong mathematical and computer operating skills; and
- Demonstrated organizational skills and attention to detail.

Guaranteed number of hours per month is provided for this position upon successful completion of probationary period. Travel out of town will be required. You must be physically able to perform the requirements of the job and be willing to work in all types of weather conditions. Safety training (i.e. CSTS, First Aid, WHMIS, etc.) is required and will be provided as necessary. Candidates should be prepared to comply with our drug and alcohol policy, which includes screening.

To apply for this posting, please e-mail your cover letter and resume to recruitment@midwestsurveys.com. **Please quote 'Job Number 3050' in the subject line.** For more information on working with Midwest Surveys please visit the Careers section of our website, www.midwestsurveys.com.

All applications will be kept confidential
Only those selected for an interview will be contacted
