

Intermediate CAD Drafting Technician Calgary

Why Choose Midwest?

Midwest Surveys is a 100% employee owned company that values its people! Celebrating over 65 years in the industry, we have been ranked as one of the 50 Best Employers in Canada and a Top Employer in Alberta. We have also been recognized as a top health benefits provider and have been named the Best Workplace in Alberta for Health and Safety.

Midwest Surveys actively supports local communities, charities and is committed to a high level of ethics. We pride ourselves on providing an outstanding work environment!

In this role, you will be responsible for creating plans using CAD and coordinate geometry software on Windows platform stations. Your duties will include and are not limited to:

- Producing all drafting products;
- Understanding and producing base file mapping and composite plans;
- Identifying and managing survey errors in the CAD environment while collaborating with technicians and land surveyors;
- Understanding survey plan content, identifying and evaluating proper evidence descriptions;
- Understanding layers, line types and individual client requirements; and
- Using multiple communication tools, interacting regularly with internal and external clients to deliver optimal product.

Qualifications:

A diploma in CAD Drafting or Engineering Design and Drafting with 2-5 years of experience in surveying, oil and gas and the municipal drafting industry. You must have working knowledge of AutoCAD Map and/or Civil, the survey industry and township system.

Key Competencies and Behavioural Attributes:

- Demonstrated organizational skills and attention to detail
- Demonstrated accuracy, neatness and professionalism in the development of drafting products
- Ability to meet deadlines and handle projects in a fast-paced environment

To apply for this posting, please e-mail your cover letter and resume to recruitment@midwestsurveys.com. **Please quote 'Job Number 1439' in the subject line.** For more information on working with Midwest Surveys please visit the Careers section of our website, www.midwestsurveys.com.

All applications will be kept confidential
Only those selected for an interview will be contacted
